

PREVENTATIVE DENTAL CLUB

NEW PATIENT INITIAL VISIT: \$99 (discounted from \$205 with purchase of membership)

- One time charge for new patients only.
- Includes necessary x-rays and complete dental health exam.
- The examination at this appointment will determine which of the following club plans you are eligible for.
- This fee is waived for existing patients.

PREVENTATIVE CLUB:

- **\$29.99/ month**
- Includes:
 - 2 standard cleanings per year
 - All necessary dental examinations
 - All necessary x-rays
 - 2 emergency evaluation visits, if needed
 - 2 fluoride treatments
 - 10% discount off of any additional treatment

PERIODONTAL PREVENTION CLUB:

- **3 periodontal visits per year: \$49.99/ month**
- **4 periodontal visits per year: \$59.99/ month**
- Includes:
 - Necessary periodontal cleanings
 - All necessary examinations
 - All necessary x-rays
 - 2 emergency evaluation visits, if needed
 - 2 fluoride treatments
 - 10% discount off of any additional treatment

ADDITIONAL INFORMATION:

- All monthly dues must be set-up for automatic charge to a credit or debit card.
- No waiting periods! You are eligible for your first visit after the first monthly due is paid.
- You must qualify for one of the above plans. Your individual plan will be determined by your dental hygienist and may require an initial evaluation appointment.
- Your dental health will be re-evaluated each year to determine if you still qualify for your enrolled plan.
- Patients with active periodontal disease may be required to complete comprehensive periodontal therapy before qualifying for one of the above club plans. Prices will be determined at your initial examination.

*****PREVENTATIVE PLANS CANNOT BE COMBINED WITH ANY OTHER OFFER*****

Including Care Credit interest free plans.
